FY21 Neighborhood Initiative Competitive Grant Awards (1st Round) – 1 Mile Radius

PCDA and the Mayor's Office are excited to announce four organizations who were recommended for large grant awards (up to \$30,000) in the 1 Mile Radius. Applications were due August 1, 2020.

Liberty-Wabash

- **West Arlington Improvement Association**, \$30,000 for a community beautification project including repairing a community sign, landscaping, benches, and public artwork installed by Forest Park students.
- **Artspace**, \$18,115 for the Ambassador theatre project including the installation of a temporary fence around the Ambassador site, portable lighting and temporary stairs, and an attractive banner around the fence to inform and advertise the Ambassador's new role as a cultural destination celebrating local art and artists in Northwest Baltimore.

NWCPF

- **Glen Neighborhood Improvement Association (GNIA)**, \$30,000 for the Glen Neighborhood Improvement Association's Community Placemaking project including design, street pole banners, and crosswalk and sidewalk art.

Coldspring

- **Cylburn Arboretum**, \$12,317 for the Cylburn Arboretum to replace the pedestrian entrance gate at the corner of Greenspring and Cylburn Avenues with a new entrance gate that is ADA compliant and will safely accommodate visitors who walk, bike, or use a wheelchair.
